

Firefly Propane's Referral Lunch Party

What happens each and every time your store refers five people to Firefly?

You receive:

Lunch on us!

We will send to your store a pizza party lunch complete with two large pizzas and six sodas for you and your staff.

We at Firefly Propane know that when you refer a customer to our business, our efforts will reflect on BOTH of us. We will not let you down! We greatly appreciate each of your referrals, and you can count on us to treat each person you send to us with extreme care and respect.

Thank you in advance!
